The Town Supervisor and the Town Board are the legislative body for the Town and have control over legislation, appropriations and policies.

The Town Board is composed of the Town Supervisor who is elected to a two year term of office and four council members who are each elected to a four year term of office.

The Town Board conducts public meetings each month on the first Wednesday of the month.

The Board's functions include the awarding of all contracts and bids, providing for town improvements and adopting and amending local laws. The Board establishes all positions within the Town, appoints personnel and sets salaries and benefits.

One of the most important duties of the Town Board is the adoption of the annual budget. The monies to run the town government are raised in the budget which is prepared and adopted during the preceding fiscal year. Taxes collected during January of each year are used to operate town government.

SEWER DEPARTMENT

Sewer Superintendent

John Egitto

P: (845) 561-2550 F: (845) 420-6352

E: jegitto@newwindsor-ny.gov

The Town of New Windsor Sewer Department operates and maintains the wastewater treatment facility, as well as the main sewer lines throughout New Windsor. The Town owns the main sewer lines, while connections from homes to these main sewer lines are owned by and the responsibility of the homeowner.

Our mission is to clean wastewater and to return it safely to our environment. In order to accomplish this task, we offer the following services to Town residents:

BACKED UP SEWER LINES

If a homeowner's sewer line is backed up, the Sewer Department will, at no charge, check the Town's sewer line to determine the origin of the backup. Should the cause be with the Town's line, the Sewer Department will take immediate corrective action. If the backup is in the homeowner's line, the Town will make suggestions for corrective action.

LOCATING SEWER LINES

If a homeowner needs to identify or mark-out the location of their sewer line and connection to the Town's sewer main, the homeowner should contact 'Dig Safely New York' at 1-800-962-7692 and request their assistance. The Sewer Department is only responsible for mark-outs of the Town's sewer line. If the Sewer Department is called upon to mark-out a private homeowner's sewer line and connection, the Town shall assume no responsibility for the accuracy of the same. The homeowner and/or the homeowner's contractor requesting the mark-out shall retain all responsibility and liability for any work done in connection with the requested mark-out of the homeowner's sewer line.

SEWER INSPECTIONS

Our department is available for sewer inspections during regular business hours for those residents who have a valid sewer permit from the Town. Please call the Sewer Department at (845) 561-2550 at least 24-hours in advance to schedule an inspection.

Planning Board meetings are held every 2nd and 4th Wednesday of the month at 7:00 p.m. in the Town Hall Courtroom. A schedule of meeting dates is posted on the Town bulletin board and on the Town website.

The Planning Board reviews proposals submitted to the Town for subdivisions, lot line changes, site plans, site plan amendments and special permits as described in the Town of New Windsor Zoning Codes. The review is conducted to consider the public safety and code compliance for each project.

The Planning Board Engineer directs the review of site improvement plans for subdivisions and recommends acceptance of revisions of subdivision layouts and other projects associated with the Planning Board.

The procedure for applying to the Planning Board begins by submitting an application to the Building Department for a workshop session with the Planning Board Engineer.
